

StoneLab Scientific Symposium  
Travel Award Application | Deadline: Monday, September 23, 2019 (11:59 PM Eastern)

The AUA Office of Research is offering travel award funding to subsidize meeting registration, travel and lodging costs associated with attendance to the 2019 StoneLab Scientific Symposium on December 6-7, 2019 at AUA Headquarters in Linthicum, MD. Applications are now being accepted to allow the necessary time for application review, awardee notification, and travel arrangements; however, applicants should be aware that the distribution and amount of travel award funding is subject to NIH R13 grant support, the results of which will not be known until late July.

**ELIGIBILITY.** The applicant must be a student, trainee or early-career investigator within seven (7) years of completing training.

**TERMS.** Travel award recipients will receive travel support up to \$1000 per person, to cover the costs to attend the meeting, including economy airfare, parking, ground transportation, meeting registration, and lodging. Travel award recipients will book their own travel and hotel accommodations. All travel awardees will be expected to present a poster of their work during a poster session during the meeting.

**APPLICATION.** To apply for a travel award, please complete the application below and attach a one-page personal statement detailing how attending the StoneLab Scientific Symposium will benefit your current research and future career. **Save both pages into a single pdf file labeled as "Lastname.Firstinitial.StoneTravel.pdf" (for example: "Smith.A.StoneTravel.pdf") and e-mail it to [jgumminger@auanet.org](mailto:jgumminger@auanet.org). The deadline to apply is Monday, September 13, 2019 at 11:59 PM Eastern.**

**REVIEW PROCESS.** A panel of reviewers will evaluate the merit of each application and the Director of Research will make the final funding decisions. All applicants will be notified of a decision no later than Monday, October 7, 2019.
