

AUA INTERN ACADEMY

 Virtual Didactic Lecture Series

American
Urological
Association

Cultivate Your Skills with National Experts!

The Virtual Didactic Series, co-directed by **Gina Badalato, MD** and **Lindsay Hampson, MD**, will feature high yield weekly topics every Wednesday from July -September 2023. Each session will feature case-based content with opportunities to interact with expert faculty and fellow residents. On-demand content as well as an exclusive and dynamic Intern Academy virtual community is also included!
